For those of you deciding what to do with your children this summer, look no further! Intrigue Athletics will again be hosting it's "Summer of Fun" day camp beginning on May 31st all the way through July 30th. Camp runs Monday-Friday from 7:00 am - 4:30 pm. Our staff is second to none when it comes to entertaining your children through the "Dog Days" of summer. We will have different themes for each week to keep the children entertained and excited! The Day Camp was a huge success last year and we can't wait for this year's camp-it is promised to be even more fun-filled than last year! More detailed info will follow.

Special Thanks to Our Intrigue Parent Organization:

We would like to take this opportunity to thank each and every family member who donated their time earlier this month to help Intrigue Athletics host a high caliber gymnastics event, The 2010 Nashville Nights! All of you rose to the challenge to help us when we needed it the most, and we cannot thank you enough for all your hard work and patronage over the years. We say it all the time, we are only as good as our parent organization, and we are very proud to have your support during our Intrigue sponsored events-thanks to you all once again!

Inclement Weather Policy:

As winter is now here, this is a good time to review our policy for "Inclement Weather." As always, Intrigue will follow the Wilson Co Schools lead when it comes to traveling during inclement weather. If Wilson Co Schools close due to weather related issues, Intrigue will be closed as well!

Staff Spotlight: Emily Widlock- Pre-Team/ Recreational Coach

Emily was born in Hollywood, Florida, and moved to Tennessee when she was twelve years old. She is a junior in high school and has been homeschooled since second grade. She has two younger sisters and one little brother. Emily took ballet, tap, and jazz for eight years until she started taking gymnastics. She is currently competing her fourth year on the Intrigue team as a Prep 3 gymnast and is also coaching. She enjoys coaching gymnastics just as much as taking it, and loves to see the kids get the skills that they have worked really hard on.
